

# ODD LOT

## ABOUT

In winery parlance, “odd lots” are the wines that haven’t yet found a home. Odd Lot Petite-Petit is playful, fun and approachable, akin to Mutt & Jeff—mismatched odd lots coming together to create something that totally works. Wine, like politics, sometimes makes odd bedfellows.

## WINEMAKING

Odd Lot is an unorthodox blend of Petite Sirah and Petit Verdot. Our winemaking approach is unconventional and our team has the latitude to explore, in service of making something delicious. Whimsical and even irreverent parameters guide our blending process: rules are meant to be broken and everything is up for consideration.

## VINEYARD

The Monterey region is defined by morning fog, strong winds, broad temperature swings and intense sunshine. In Hames Valley, the triad of fog, strong winds and bright sunlight promote the cultivation of Petite Sirah to delicious result. The long, warm days allow full-bodied, dark fruit flavors to develop while the dramatic nighttime cooling preserves the balance and structure of this big, bold wine.

## TASTING NOTES

Decadent aromas of blackberries, ripe plums, juicy figs, sweet vanilla and smokey oak leap from the glass. The palate is full bodied, with soft tannins and a lingering finish of black fruit. Odd Lot Red Blend is perfect for any occasion. Enjoy with beef short ribs, lamb chops, grilled eggplant, or aged manchego cheese.
